

Syndicate discussions – your chance to shape journalism education

All WJEC attendees are invited to sign-up for ONE of the parallel syndicate teams, which will meet twice to discuss timely journalism education topics.

Each team will then report-back in the conference's subsequent plenaries. There is a Chair for each syndicate and also a person designated as an Expert who has done some preparatory work to kick off the discussion.

****If you have not signed up for a team, please do so as soon as possible at the website http://wjec.ru.ac.za/index.php?option=com_seminar&Itemid=125&lang=en. Places are limited to 18 people per topic, and allocations will be on a first-come, first-served basis.**
